Golfing fun with
**SIMULATOR
BAYS**

Hidden Castle brings the most realistic and accurate indoor golf experience with the Korean KGOLF BGS2.0 simulator designed by professional golfers and developed by the best engineers in the industry. It applies the latest sensor technology and high-definition graphics, so you are ensured quality realism and accuracy at every play.

Play with confidence with full simulated course games together in a group or virtually with others. Tap into a lineup of certified coaches who have trained and played at KLPGA and PGA Championships as well as experience the first indoor golf simulator modeled after the famed Sentosa Serapong and Tanjong course.

Getting real at the
**PUTTING
GREEN**

Equipped with advanced technology, our Putting Green runs on TourPutt Augmented Reality (AR) to give our guests the best learning experience.

What's more, a dedicated coach will be readily available to assist you with using TourPutt while providing lessons.

Exclusive access to the
**MEMBER'S
LOUNGE**

During the event, should any guests require privacy, they are welcome to utilize the quiet and calm atmosphere of the member's lounge to rest or engage in private conversations.

Intimate gaming in the
**PRIVATE
ROOMS**

For more private games, guests can enjoy golfing 9 or 18 holes while our experienced coaches walk between 4 private rooms to give guests one-point lessons and tips during their game.

A dedicated
**STUDIO
ROOM**

Experience the most luxurious and spacious golf simulator room in Singapore in our studio room, where guests can showcase their golfing skills.

We can equip the room with a camera to capture every victorious moment during your game. Additionally, we can advertise your brand on the LED TV during filming.
